---

What's the time and location for the Friday night dinner?

Dear Nick,

Thank you for the information! I booked the room in the hotel. As I know the NRA usually has a special sector and discount price of their rooms but I do not know if it is possible for me to use this option.

I am going to arrive on the 9th of September and leave on the 14th of September. I will be very much appreciate if you send me the schedule of the board events that I can attend. Donna told me that I am invited to the dinner Friday night and from Allan Cors I know about Sunday morning Tank Farm trip. So if you would send me more details, location and time of the events it would be very much helpful. I also would be grateful for the formal invitation to the event - it is very useful for the passport control officer.

Please let me know if somebody is going to meet me at the airport or I will easy take a taxi! Just let me know!

Thank you very much in advance!

Maria
